WATER RIGHTS ASSESSMENT AGREEMENT

THIS WATER RIGHTS ASSESSMENT AGREEMENT (the "Agreement") is made this 5th day of FEBRUARY, 2003, by and between WEAVER PROPERTIES, L.L.C., a Nevada Corporation ("Owner"), (formerly known as SANTA LUCIA PARTNERS, L.P.) to the WALKER RIVER IRRIGATION DISTRICT (the "District") as follows:

RECITALS

- A. The District is a Nevada irrigation district organized and existing under Chapter 539 of the Nevada Revised Statutes.
- B. Pursuant to the provisions contained in Chapter 539 of the Nevada Revised Statutes, the District levies assessments, tolls or charges on lands within its boundaries. Those assessments, tolls or charges are a lien upon all lands within the boundaries of the District entitled to receive water from the District's system of works, as of the date fixed by the Board of Directors for the payment of the assessment, tolls or charges.
- C. Pursuant to the provisions contained in Chapter 539 of the Nevada Revised Statutes, if the ownership of land upon which a lien is imposed, as described in Paragraph B, is severed from the right to use the water, the lien remains in effect on the land until the owner of the right to use the water transfers the right pursuant to NRS 539.513(6)(a) or enters into a written agreement with the District for the payment of assessments, tolls or charges.
- D. Owner currently holds title to the water rights described in Exhibit A to this Agreement ("Water Rights").

no cost to the District, for any beneficial purpose. The District shall, however, pay any costs associated with the processing of any necessary temporary transfer application.

4. Owner agrees that if the Water Rights are to be sold, transferred, deeded or otherwise disposed of, Owner shall first obtain the permission of the District for such sale, transfer, conveyance or disposition. The District agrees not to unreasonably withhold the District's permission with respect to such disposal as long as Owner has complied with all of the terms of this Agreement. Upon the sale or other disposition, the new owner shall sign and execute an agreement with the District similar to the terms of this Agreement unless, as a result of the disposal and an approved change application(s), the Water Rights become appurtenant to other lands within the District upon which a lien is imposed pursuant to the provisions contained in Chapter 539 of the Nevada Revised Statutes.

5. Owner warrants that the Water Rights have not previously been transferred, sold, assigned, encumbered or otherwise impaired in any manner.

6. At the time of executing this Agreement, Owner warrants that all assessments, tolls and charges against the Water Rights have been paid.

7. The District agrees to charge and bill all assessments, tolls and charges it levies in connection with the Water Rights appurtenant to the Real Property to Owner. Owner agrees to pay all assessments, tolls and charges levied by the District in connection with the Water Rights.

8. The address to which the District shall send any statement for assessments, tolls or charges levied against the Water Rights appurtenant to the Real Property shall be the address for Owner set forth in paragraph fourteen (14) of this Agreement.

9. Owner agrees that if assessments, tolls or charges levied by the District against the Water Rights appurtenant to the Real Property are not paid within thirty (30) days, such assessments, tolls and charges shall bear interest at the rate of 1½% per month until paid. Owner further agrees that should such assessments and charges not be paid for a period of three (3) years, the Water Rights shall become the property of the District and all rights of Owner with respect to the Water Rights shall ipso facto be permanently transferred to the District.

10. In the event the District uses or transfers the Water Rights or any portion thereof during any given year (see para. 3), Owner shall not be charged or billed for or have any obligation to pay assessment levied by the District on the Water Rights appurtenant to the Real Property for that portion of Water Rights used or transferred by the District for that particular year.

11. The undersigned persons who execute this Agreement on behalf of the District and on behalf of Owner, respectively, represent and warrant individually that they have full authority to do so and have been duly authorized to execute this Agreement and that no other persons are required to execute this Agreement on behalf of the respective entities for which they sign.

12. This Agreement shall be binding not only upon the parties but also upon their representatives, assigns, and other successors in interest.

13. In addition to documents and other matters specifically referenced in this Agreement, the District and Owner agree to execute and/or deliver, or cause to be executed and/or delivered such other documents and/or materials, as may be reasonably necessary to effect the terms contemplated by this Agreement.

14. Every notice or other communication required or contemplated by this Agreement shall be in writing and delivered either by personal delivery or United States mail at the address specified in this Section.
